

Because your company has served the people of the City of New York for over 100 years, it has achieved a rare distinction – one that makes it eligible for membership in **The Hundred Year Association of New York**.

The Association was established in 1927 to recognize the founding of business and charitable organizations that are a century old or more. It supports activities of an historical nature which help to preserve and continue the rich business, education and social culture in New York.

We are best known for our awards program which rewards career New York City employees for dedication well beyond their job description and grants college scholarships based on academic excellence, community service and financial need – a program Mayor Bloomberg has referred to as the preeminent example of the type of public-private partnership that keeps New York a strong and vibrant city.

**To encourage as many new members to join us as possible in 2009, we have established a special New Member Rate of just \$100.** This will allow you to be included in all Association programs and events. Go to <http://www.100yearassociation.com> to learn more.

Please join us in celebrating the contributions that institutions like yours have made that keep New York City the best it can be.

Use the invoice below to send your \$100 membership contribution to The Hundred Year Association of New York. Or to discuss membership, please call us at 212-922-0791.
